和也の愚痴っぽいあらすじ

「目の前の女も大切にできねーヤツに守れるものなんかねえ!」……水原と別れた宣言をした直後、そんなことを言われながら、本部に殴られちゃった……。『レンカノ』の事情も知らねえのに好き勝手言いやがって。水原だけは俺の意図を汲んでくれたけど、やっぱり本部の言ってたことは胸に落ちねえ。あいつ、何のつもりだったんだろ……?

DENY IT!
WHY AREN'T
YOU SAYING
ANYTHING?!

Don't you have
any rebuttals
to that?!

...

He's always
saying "it'll
all work
out", when

he's
constantly
relying on
everyone
else.

He's a bit
dumb, and
totally
indecisive
...

What a
bastard
...that
guy.

TL Note:
Morning
Glories
are a
species of
flower
that die
at noon
after
blooming
and are
considered
to be
beautiful
because
of their
transience

How he's
able to
follow his
dreams
blindly like an
idiot...

But...
sometimes I
think maybe
it's some
sort of a
talent...

One
summer
...

We
planted
morning
glories.

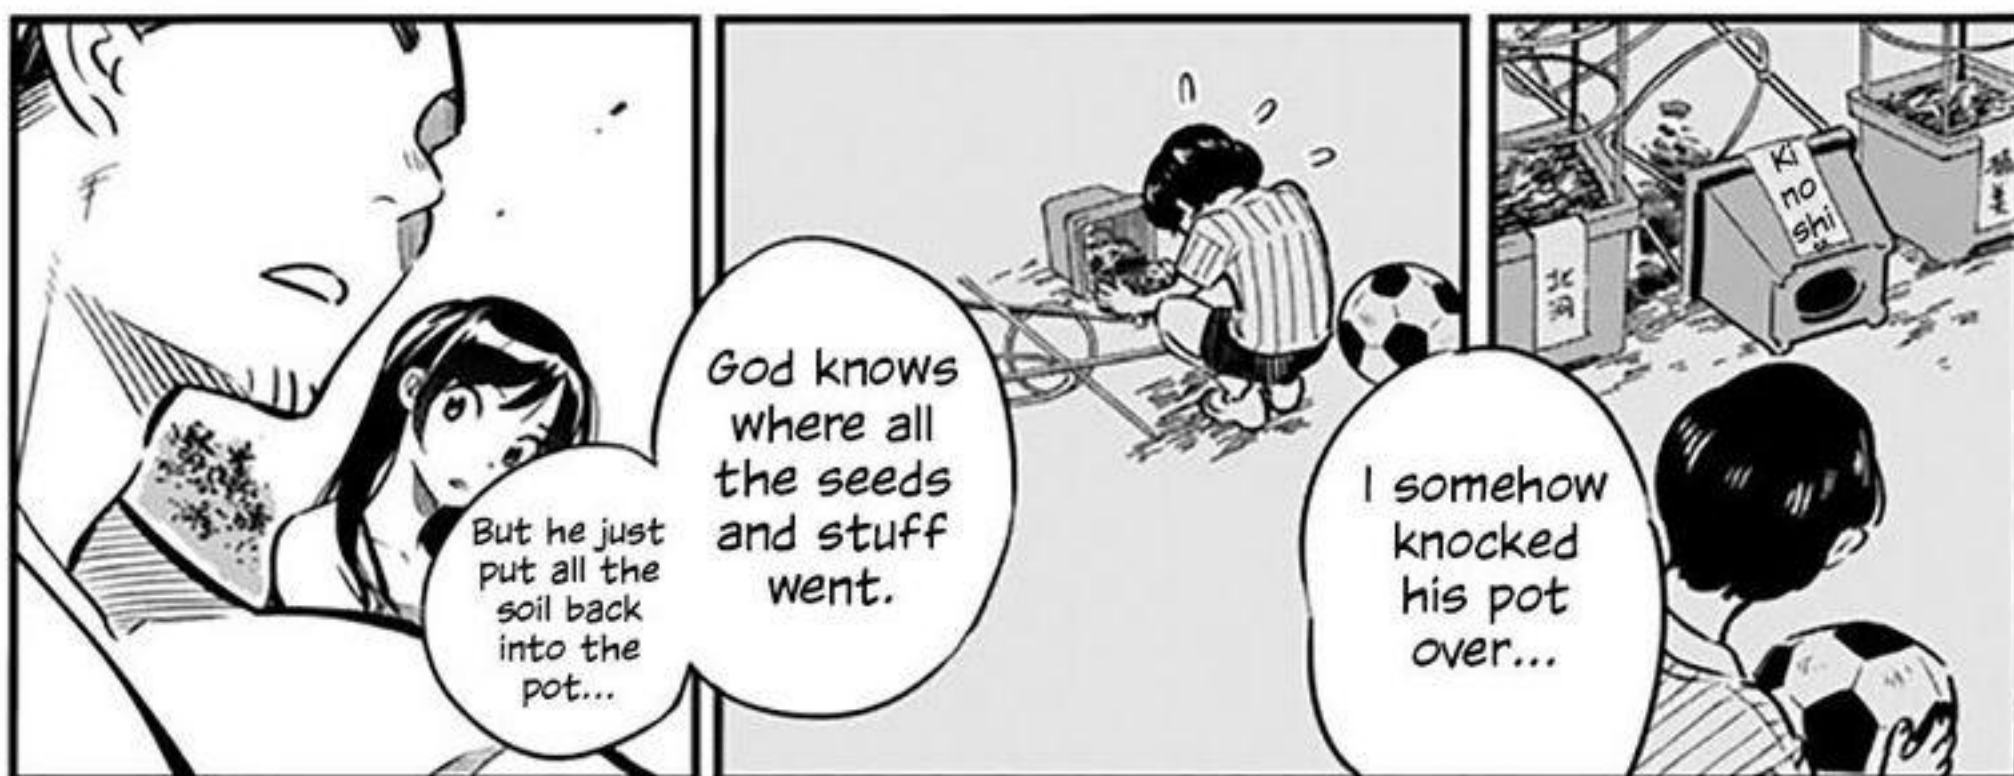

When we
were in
primary
school
...

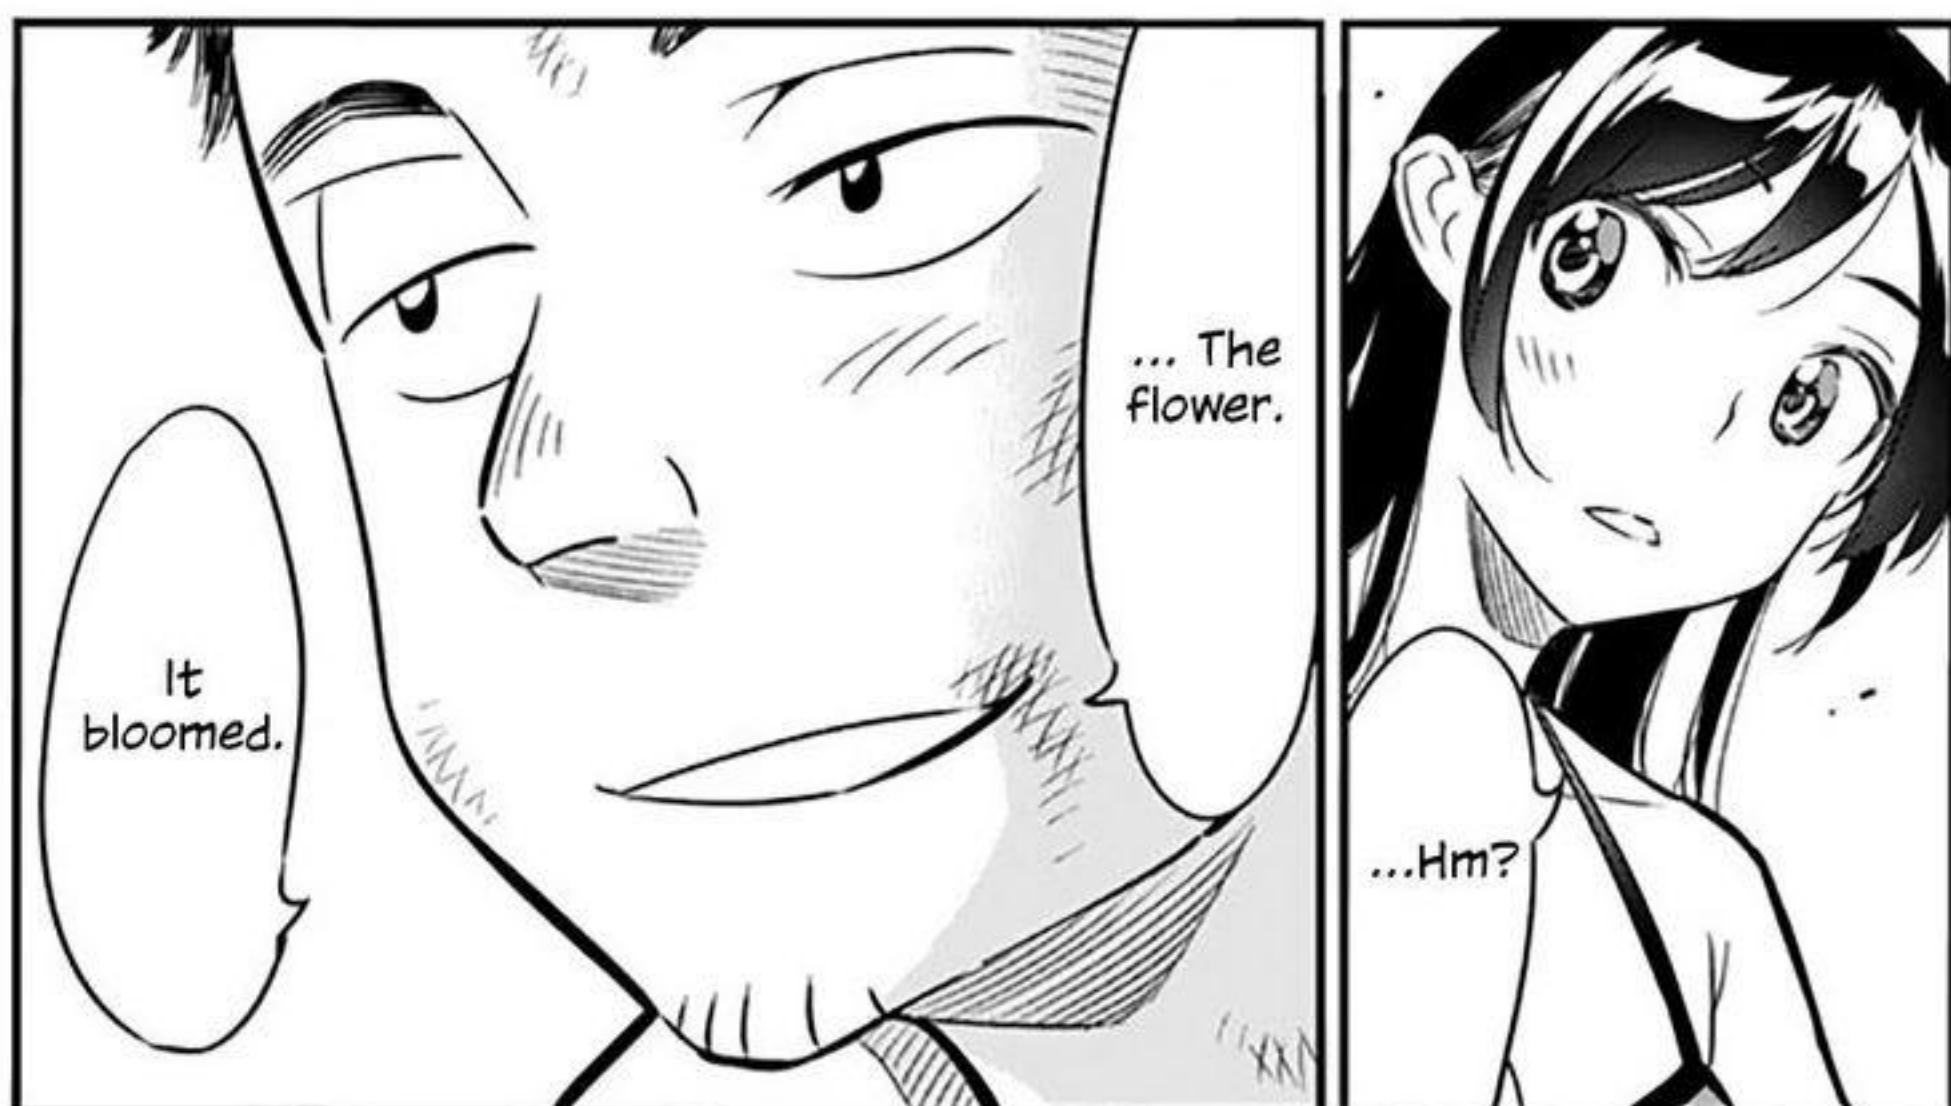

Huh?!

?!

Than any other.

And it was more beautiful ...

And in the end he got the gold medal for the summer science project.

Silver

Good Job Cultivating!

Gold

This is the one that won gold?

It was called Hisbiscus something-sis? Or some rare flower.

The flower would never have bloomed.

If he stopped watering it back then.

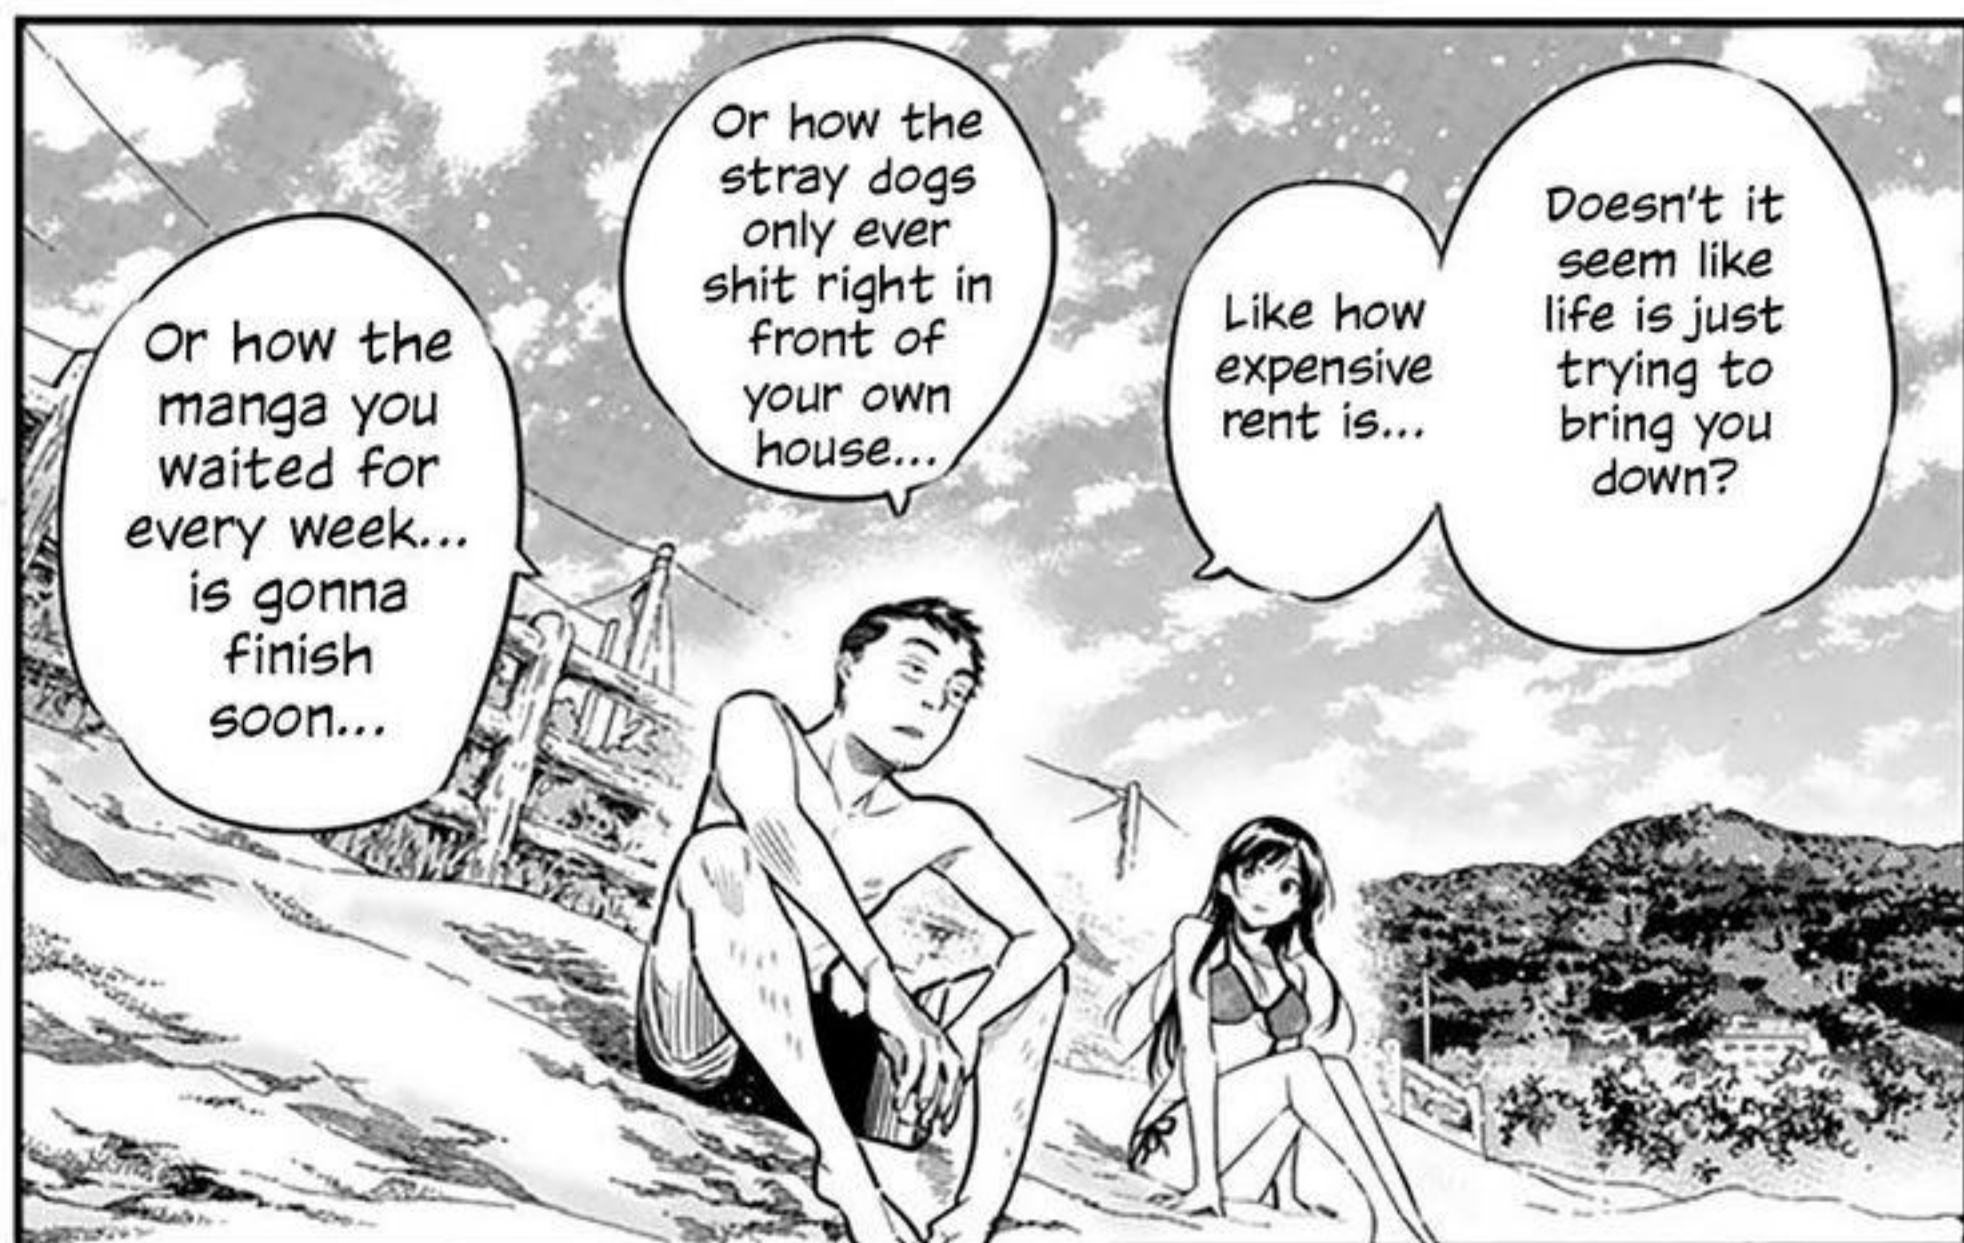

This flower! What the heck is this?! What did you do to my morning glory?!

Waa ahh!

He got all upset and was like, "this ain't no Morning Glory!"

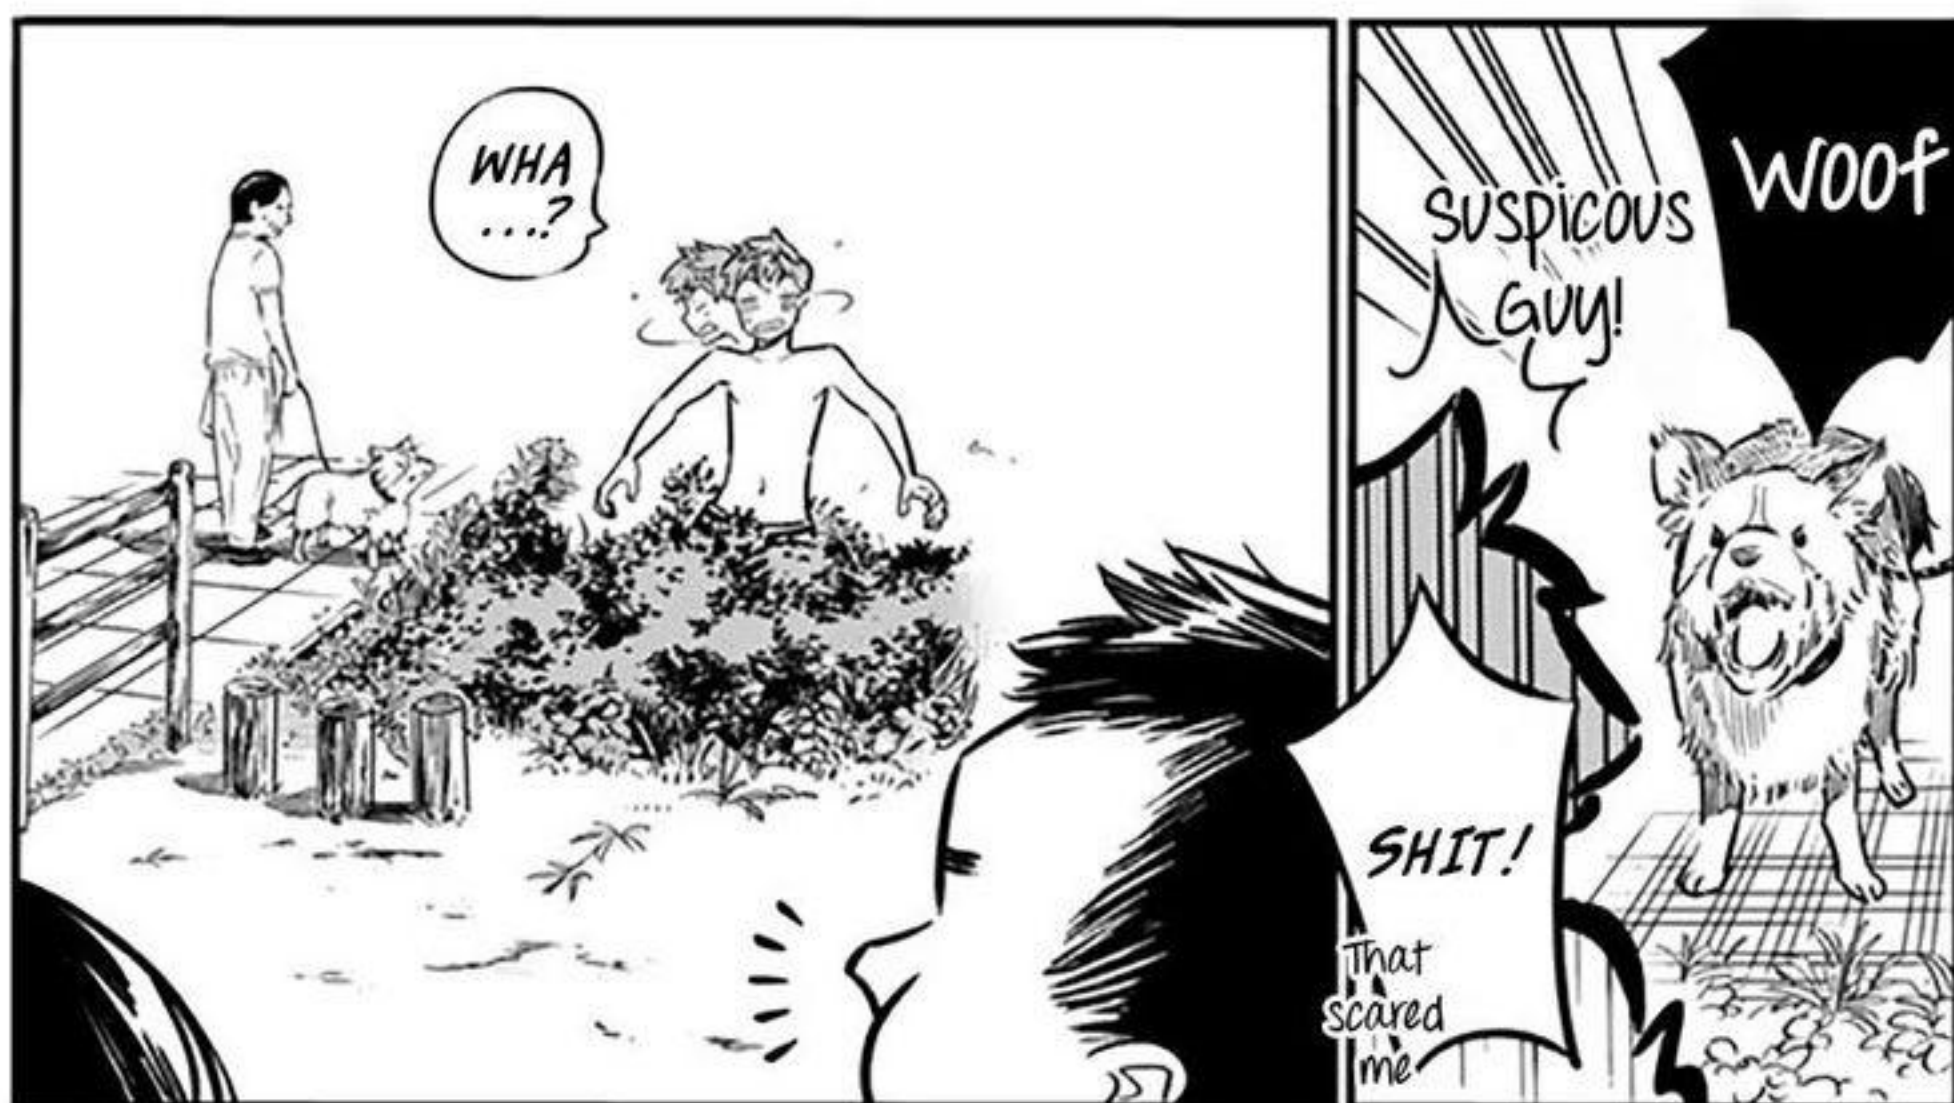

But I was bloody jealous of him.

...Right?

You
can't
'rent'
true
feelings.

Didn't
you say
that you
can't
forget
about
your ex?

Then go
for her
at all
costs.

Life is
more fun
when you
do it for
real.

If there's
something
you want...

Then you
need to
reach out
for it with all
your might.

Nothing's
gonna
change...

The boat of determination sets sail.
What awaits is—
ROUGH WATERS.

Nothing
