If you know the enemy and yourself, you need not fear the result of a hundred battles.

...or so that's what they say.

IS IT REALLY FINE FOR US TO COME TO A FAMILY DINER LIKE THIS?

RATHER,

ISN'T THIS ALREADY A DATE...!

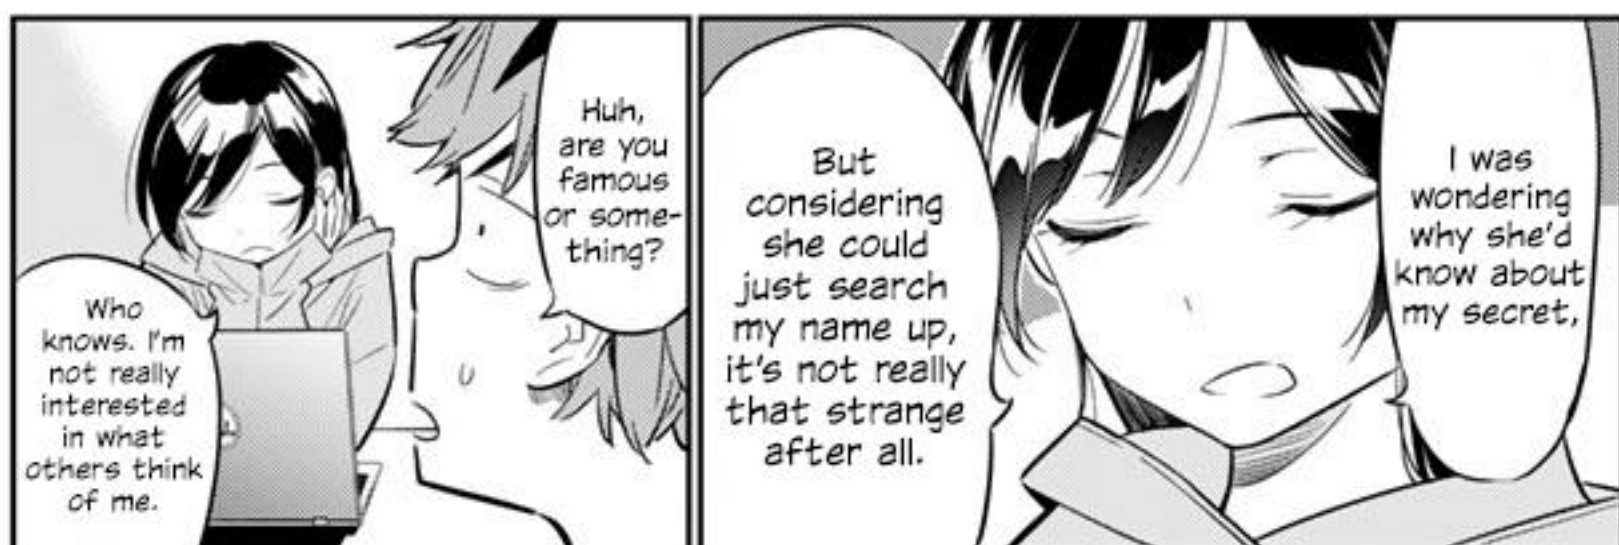

Y-YES!

GOT IT! HERE IT IS!

(Falsetto)

MIZUHARA IN CASUAL MODE SURE LOOKS...  
-she looks more like a girl-friend-

...

Kuriba-yashi-kun is pitiful to have been exposed, but...

Feels kinda sorry...

Huh?

Now that things are like this, for the sake of Kuriba-yashi-kun, we need to act as if nothing happened.

It's tough for both parties.

We aren't even out on a date,

Just as I thought,

You're a really nice person!

But you still brought me out here to talk.

WHENEVER  
I NEED  
HELP...

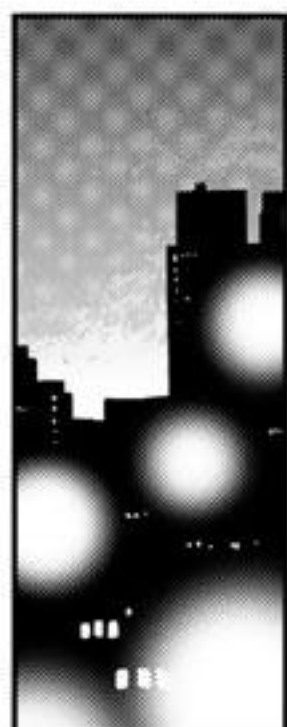

MIZUHARA  
IS ALWAYS  
THERE,

I'VE  
GOT TO  
DO SOME-  
THING!

IF  
ANYTHING  
HAPPENED  
TO HER,

Today's bill:

How

# Gununu Scanlations

by Kinji

Hello! You might have been spooked by a sudden Chapter 24 release after you read like, the first ten chapters of Kanojo Okarishimasu. Either way, I just really liked this series and this arc in particular, so I felt like translating this chapter. LOL.

I'm horribly aware that there's a really active scanlation group translating this series, but I don't really mind - I'm really hyped about this series right now so I just wanted to do something. That aside though, I would love to translate and offer some typesetting feedback for any group that wants to handle this.

Also... typesetting takes quite a bit of time for some reason, and there were some bad font changes this chapter so pardon. Which is why I'm hoping someone will volunteer and help me out with cleaning+typesetting.

In any case, I will be contactable on Twitter as @dramasouls, so drop me a message if you need anything!

Probably gonna work on Chapter 25 now...
