## Omake: Kazuya's Rental Delusions

she gives her

as the head of

An anchor who burns with  
an explosive intensity.

She made for an unusually  
attractive early-morning host.

The whole  
country  
will likely  
be sunny  
today.

Filled with an  
overflowing  
sense of beauty

You stupid newscaster!

That

so cute.

I wish  
she was  
my girl-

And her face was

With those  
charms she  
became an idol  
to the people.

As far as I can tell, most of the omake for this series seem to share this same title and general format.

A user on Yau's Discord was kind enough to provide me with the raws for the volumes 3 and 4 ones as well as this one but if you have the raws for any of the other ones feel free to message @DekinaiScans on MangaDex or Twitter.

Also, our good friends at Jet Yau provided me with the raws for a short side story the author made about Kazuya and Chizuru just sitting on a park bench and discussing stuff.

It's pretty good, so I'll likely be doing that one as well.
